PROFESSIONAL SUMMARY

A dedicated, friendly, hard-working professional video editor with additional experience working on-set. Editing experience includes work with social media content, product commercials, interviews, and an abundance of deliverables in corporate settings. Currently working with the Adobe Creative Cloud with Adobe Premiere Pro, Adobe After Effects, and Adobe Photoshop. Production experience includes sound mixing with Sennheiser microphones and Zoom recorders, work with Canon and Sony products, and Aputure light systems. Overall, I bring advanced knowledge and experience of editing techniques, pacing, technical and software skills, along with passion and knowledge of production equipment.

WORK EXPERIENCE

Anderson Hughs Productions | June 2022 to Present

Video Editor | Sound Mixer | Second Assistant Camera | Production Assistant

- Tackle a variety of full scale video editing work for national clients across the United States
- Handle projects from beginning to end—from planning, to shooting, to editing
- Create complex 2D animations, color correct and grade, and design/mix sound
- Work with a variety of production equipment (Canon/Sennheiser/Aputure)
- Fill various roles on set, including sound mixer, second assistant camera, and production assistant

Freelance | April 2022 to Present

Video Editor

- Currently freelancing and open to freelance work for a variety of projects
- Handling a variety of hours per week with freelance clients, always focused on meeting deadlines and delivering quality content in the first version
- Experience working with 2D animation/custom motion graphics, color correcting/grading, assembling storylines, designing/mixing sound effects

Stop Go Studio | June 2022 to June 2023

Video Editor | Production Assistant

- Compiled raw footage for commercials and social media material, in addition to constructing projects from start to finish
- Handled motion graphics and color grading/correction
- On set, I worked in various positions, including sound mixer and production assistant
